

This area must be kept clear due to flag pole

PV panels in this area are to be elevated by 1m above roof level

Roof Plan - The Gozo Curia
Scale 1:100

NOTES
Tenderer is to take into account the following restrictions when designing the layout of the PV panels:

- Shading from parapet walls and other objects
- MEPA policy guidelines

This drawing is for guidance only. It shall be the tenderer's responsibility to take on site measurements on which to base the layout of the PV panels.
